

CLOUD AI/ML CYBERSECURITY

Three trusted companies. One govtech ecosystem.

Alaska Northstar Resources (ANR), Shee Atiká Federal (SHF), and Alaska Northstar Federal (ANF) together form the Shee Atiká Information Technology (SA-IT) business line within the Shee Atiká Family of Companies. SA-IT provides federal agencies with streamlined access to full-spectrum IT solutions and accelerated procurement outcomes through its participation in the SBA 8(a) Business Development Program. Our shared-services model delivers deep technical expertise, a broad talent network, and strong past performance while enabling fast, agile contracting and rapid scalability. SA-IT offers vendor-agnostic, mission-focused support that ensures consistent delivery, reduced risk, and high-performing solutions tailored to federal mission needs. Agencies benefit from unified resources across the SA-IT family, quick surge capacity, and more efficient project execution.
